The spacious cottages are set in a scenic area near Newport, County Tipperary and boast a high standard of comfort for all especially people with limited mobility. This is an ideal base for touring the region and enjoying active holidays such as boating, fishing and other water sports are available nearby at Lough Derg. There are scenic walks and drives, as well as Horse Riding, Pony Trekking, Golf, Fishing, and Cycling Bikes are available for our guests.

This farm has been the home of the McNamara's for six generations and we have worked very hard on keeping the values of Traditional Farming alive and at the same time promoting rural tourism.

Visitors can experience the daily workings on this functioning working farm by participating in activities such as hand-milking cows, feeding and caring for animals such as calves, lambs, hens, ducks, and the gathering of eggs etc.

There is an organic vegetable garden on the farm which visitors can take the opportunity to sample some of the produce in season.

Alongside the sites which are on our doorstep, there are also innumerate heritage sites such as Nenagh Castle and the Nenagh Heritage Centre, the Rock of Cashel, Bunratty Castle and the Cliffs of Moher. The cities of Galway, Cork and Dublin are all less than 2 hour's drive. Experience a relaxing short walk to the local Village for an evening of Irish Music in Ryan's Bar. There is also a wide choice of excellent restaurants nearby for those who wish to be wined and dined.

Guests frequently comment on the comfort the cottages offer as well as the natural beauty of the surroundings. Each of our three cottages have all of the modern conveniences and are designed with guests' comfort in mind.
